Rolec Accessories Overview

Conventional and LED lighting components

Rolec Accessories is a division of Rolec Services Limited, specialising in the provision of an extensive range of electrical accessories associated with all the products manufactured by the divisions of Rolec.

The buying power within Rolec allows us to bulk buy directly from component manufacturers' assembly lines therefore enabling us to offer the lowest possible prices for all accessories.

Our new headquarters in Boston, Lincolnshire incorporates two huge warehouses which at all times are fully stocked with hundreds of thousands of electrical components compatible with all of the products manufactured by the divisions of Rolec Services Ltd.

These components are also available directly to the electrical trade regardless of whether they purchase manufactured goods from Rolec.

Due to our warehousing facilities, we are usually able to despatch accessories within 48 hours and always try to fulfil orders the next day where possible.

The Rolec Accessories range includes:

- Plugs • Couplers • Sockets • Inlets • Adapters
- Hook-up leads • Extension leads • Power cables
- MCBs • RCDs • RCBOs • MCCBs • Vigis • Isolators
- Smartcard Meters • Kilowatt hour meters • Water meters
- Photo cells • Lamps • Chokes
- Camping hook-up boxes

Rolec Accessories' mission statement of **Quality, Reliability and Innovation** reflects the company's philosophy of providing cost-effective, high-quality and reliable products and services.
