

CLASSIC EMERGENCY PEDESTALS

SAFETY FIRST - LOW COST SOLUTIONS FOR A VITAL SERVICE

The Classic Midi emergency pedestal is the most cost effective of the emergency pedestals in our range. It is able to offer a variety of services, including a fire extinguisher, first aid kit, life buoy, throwing rope and alarm system.

The pedestal's bright colours, illuminated head and signage help to draw attention to it at any time of day or night.

Equipment and Options:

- 6kg dry powder fire extinguisher
- First aid kit
- 30" life buoy
- 10 metre floating throwing rope
- Rope throwing holster complete with 30 metre 10mm floating rope
- Audio/visual alarm (activated by door / life buoy / break glass call point)
- Illuminated head
- "SOS" signage on pedestal door and lens

Ideal Locations Include:

- Marinas and harbours
- Waterfront and riverside locations
- Caravan and camping parks
- Public recreational locations
- Boating lakes, theme parks and leisure locations
- Golf courses and many more...
